BARNARD'S "Perpetual Green."

GRASS SEED FOR LAWNS.

THE QUANTITY TO SOW.

ALMOST every florist doing a retail business can with profit sell "Grass Seed for Lawns." More and more the taste for a beautiful green spot around the home is growing.

The grasses of which our "Perpetual Green" brand is composed will, in a short time, produce a green and velvety turf, which will endure the intense heat of mid-summer.

"Perpetual Green" is put up in attractively gotten up boxes which retail at 15c for half-pound, and 25c per pound.

Wholesale price to Florists: ½ lb. 8c. 1 lb. 15c. Also supplied in 5, 7 and 14 lb. bags at 15c per lb.

It is unwise to be economical in the quantity of seed used if the best results are desired. One pound will sow a plot of six hundred square feet; 4 bu. (56 lbs.) to the acre.

Kentucky Blue Grass, Fancy cleaned, 1 lb., 15c; 5 lbs., 65c; 10 lbs., \$1.20.

Red Top, Fancy cleaned, 1 lb., 15c; 5 lbs., 65c; 10 lbs., \$1.25.

White Dutch Clover, 1 lb., 30c; 5 lbs., \$1.25.

PANSIES—Named Sorts and in Mixtures.

NOTHING in the way of Flower Seeds for Florists receives at our hands a greater amount of attention than Pansies.

We are ever on the alert to add valuable new varieties to our stock, searching the markets of the world in our effort to discover them. The list below has been made up with much care. It is believed to contain almost every desirable strain brought out.

WE can best describe this as a combination of seeds of the best named Pansies, secured by us from leading specialists both at home and abroad. In the many years we have supplied this "FLORISTS' MIXTURE," so far as we are aware, it has never failed to prove satisfactory. Our aim is to furnish the best obtainable and to that end no expense is spared. Trade Pkt., 25c; $\frac{1}{8}$ oz., \$1.00; $\frac{1}{2}$ oz., \$3.75; oz., \$7.00.

GIANT FLOWERED PANSIES.

It is poor economy to expect the best results from any other than high grade seeds. We have secured an extra fine quality of Giant Pansy Seed from which, we feel certain, most satisfactory flowers will be obtained.

FOR CHRISTMAS adornment of Homes, Church-

in any other way. The custom of decorating has
become well nigh universal and each recurring
Christmas-tide brings an increased demand.

From personal inspection of the Holly producing groves, supplemented by later reports from that locality, we deem it safe to promise for the present season **well-berried Holly of the highest quality**. Our own agent is now upon the ground selecting and overseeing the cutting and packing. Knowing the exact needs of our customers in this line—

Fancy Holly for florists and decorative trade, we are assured that the claims we are making for our Holly will be maintained.

INDIAN PICKERS BRINGING IN BOUQUET GREEN.

Bouquet Green in Bulk.

[Lycopodium. Ground Pine. Club Moss.]

THE BEST GREEN and that which we offer is gathered in the virgin forests of the North. The process of accumulating it for the market is a slow and tedious one. To secure green of the dark color and bushy growth demanded by the florist trade, our pickers each season go farther and farther into the deep woods and swamps which have not been cleared and where the sun does not injure the color. Each stem is selected, then tied with a cord made of bark as a handful is acquired. Some Indians carry a load of the bunches a surprising distance upon their backs. More prosperous ones use their teams. Their arrival at the villages presents a picturesque and thoroughly pioneer like scene.

Prices named are those now prevailing. They are subject to market changes. Buyers of quantity will find it to their advantage to get latest and special quotations.

Per crate of 100 lbs., \$6.00;

Per bbl. of 25 lbs., \$2.50.

Evergreen Wreaths.

They are made on rattan, wound on both sides with bright, fresh green, trimmed with colored Immortelles or Cape Flowers. These wreaths are very saleable. They are low priced and last a long time.

Per doz., \$1.25; per 100, \$8.50; per 1000, \$80.00

Evergreen Wreathing.

Manufactured on our own premises by experienced, competent help. It is ready for immediate use and can be cut to any length without unrolling. Made of selected green, wound by hand upon wire, tied in coils of 20 yards each. 10 coils, 200 yards, in a crate.

Light Grade, per 100 yards, \$3.00; per 1000 yards, \$25.00.

Medium or Standard Grade, per 100 yards, \$3.50; per 1000 yards, \$30.00.

Heavy Grade, per 100 yards, \$5.00; per 1000 yards, \$45.00.

Special Quotations on large lots stating quantities desired. Ample stock on hand for telegraph orders.

SCENE IN OUR GREEN WINDING ROOM.

Greens from the Sunny South.

[Ready for Delivery about 15 days before Christmas.]

We cannot speak too highly of these beautiful decorative products of the woods, glades and swamps of the Southland. These southern greens do not lose their shape and color, but remain green for a long time. Although they have been used for decorative purposes for but a few seasons, they are now considered indispensable for making an effective display.

Needle Pines.

Invaluable to the decorator; they fit into corners and other odd places which otherwise would be difficult to adorn, and they retain their form and color a long time. They are long, glossy, dark green needles, from 2 feet to 5 feet high.

Per doz. selected stems,

\$1.50; per 100, \$10.00.

Galax Leaves.

They are in demand for decorative purposes and work up into wreaths nicely.

Bronze, per 1000, \$1.50

Green, per 1000, \$1.25

LYCOPODIUM OR BOUQUET GREEN. SELECT STOCK, FRESH PICKED.

We handle immense quantities of Bouquet Green during the months of November and December, having our own agent supervising the gathering, packing and shipping of this stock. It pays our patrons well during the busy holiday season to be sure of getting good Green, free from old discolored stock. Poor Moss, mixed with all kinds of rubbish, causes not only a waste of material, but also of time, and at that season of the year every minute lost means good money lost to the florist.

BOUQUET GREEN (until October 31st): Per crate of 100 lbs., \$5.00.

Prices on Green fluctuate. Please write us whenever you are ready to buy and we will send you rock bottom prices on crate, ton or carload lots.

Remember that if Green is in the market Barnard has it.

EVERGREEN WREATHING. WIRE WOUND, OF SUPERIOR WORKMANSHIP.

We employ a large force of experienced green-winders during the season, winding immense quantities of Evergreen Wreathing, and keep a good supply of the different grades in stock. Telegraph orders will receive prompt attention.

Write for samples. We mail them free.
